Jinge JIN

## Senior Software Developer

📍 Kingsport, TN 37660

📞 (254) 262-5719

✉️ devops7713@gmail.com

Experienced with creating robust software applications tailored to client needs. Utilizes advanced coding techniques to ensure seamless performance and scalability. Strong understanding of software development lifecycle and agile methodologies.

💼 Work History

2020-01 - Current

Software Engineer

AAA Colorado, Ina, IL

- Developed scalable and maintainable code, ensuring long-term stability of the software.
- Integrated new technologies into existing systems, increasing capabilities and improving overall performance.
- Developed reusable components that significantly reduced development effort on multiple projects.
- Implemented effective debugging strategies, resulting in fewer software defects and increased reliability.

2015-06 - 2020-01

Full Stack Web Developer

Accenture, Tea, SD

- Used Javascript, SQL and HTML to develop app-solutions.
- Increased website performance by optimizing front-end and back-end code for faster loading times.
- Applied responsive design principles to ensure consistent display and functionality across a wide range of devices, including mobile phones, tablets, and desktop computers.
- Created easy-to-use APIs for third-party integrations, enhancing the functionality of existing applications without compromising on performance or security.

2013-01 - 2015-06

Mobile Developer

Bank of America, Waban, MA

- Enhanced user experience by designing and implementing intuitive mobile applications for iOS and Android platforms.
- Worked closely with UX/UI designers to translate wireframes into functional prototypes, ensuring consistent visual design across all platform versions.

- Evaluated emerging technologies and trends to stay current in the ever-evolving landscape of mobile app development.
- Collaborated with cross-functional teams to develop innovative solutions for complex client requirements.

2014-09 - 2015-04   **Web Developer**

Pinterest, Caballo, NM

- Coded websites using HTML, CSS, JavaScript, and jQuery languages.
- Planned website development, converting mockups into usable web presence with HTML, JavaScript, AJAX, and JSON coding.
- Provided front-end development support, creating visually appealing designs that aligned with brand standards.
- Enhanced user experience by implementing responsive web design and optimizing website performance.

2011-03 - 2012-01   **Blockchain Developer**

Skyworks, Wyandanch, NY

- Developed smart contracts for various applications, streamlining business processes and reducing costs.
- Designed and built scalable blockchain networks, enabling rapid deployment of new projects and initiatives.
- Provided technical guidance to team members during project development, ensuring adherence to best practices and established standards.
- Enhanced blockchain security by implementing advanced cryptographic techniques and protocols.

2010-10 - 2011-01   **Unity Game Developer**

Gaming, Luana, IA

- Incorporated audio assets into games for a cohesive auditory experience that complemented visuals.
- Improved game performance through rigorous testing and profiling, identifying bottlenecks in the process.
- Mentored junior developers, fostering a collaborative learning environment within the team.
- Enhanced player experience by designing and developing immersive 2D and 3D game levels.

Education

2010-08   **Bachelor of Science: Computer And Information Sciences**

Texas Christian University - Fort Worth, TX

Skills

SQL

MySQL

Object-oriented programming

Javascript

Front-end development

Python

Programming languages

Software development

Software applications

Database management

Team collaboration

Agile

Git proficiency

Agile methodologies

Web technologies

Database management software

Scripting languages: PHP, python, javascript

Database programming

API integration

Project documentation

Languages

English

Full Professional

Chinese (Mandarin)

Native or Bilingual

Certifications

2025-12   Amazon Web Services DevOps Engineer - Professional
